Dedicated to the collecting, recording, and preserving of Utah's historical medals, tokens, coins and bottles.

Next Meeting will be at

**Murray City Park
Pavilion #1
on August 28th at
6:00 pm.**

Turn north off of
5300 S. at 495 E.
(Parkside Dr).
and go to end of
the road.

Food Assignments

Last Name A - R: Salad
Last Name S - Z: Dessert
Single: Bag of Chips
Bring your own meat,
plates, cups and utensils.
Please remember if you
volunteered to
bring your grill.

We will not be having
finds of the month
in August.

Thank you
Danny Ratecliffe
for bringing
treats and drinks
and Mark Seliger
for bringing coffee
to July's meeting.

NUTS Patch
Available for \$4

President's Message

Hello Everyone,

What a fun time everyone had at last month's club meeting. The "bourse" was a great success. The bourse tables were full with every space taken. Thanks to everyone that showed up with items to sell. Members started wheeling and dealing one half hour before the meeting started and no one wanted to stop for greeting and announcements. There were some great bargains and a few unique items for sale. I saw lots of money changing hands and some of it was my own.

Our next club get together is August 28th for the annual NUTS Summer Party. All members and their families are invited to attend. It will be at Murray City Park, pavilion #1. The address is about 495 E. 5300 S. The pavilion is the first one on the left after entering the park. It's covered, has tables and a sand volleyball court next to it. The party will start at 6:00 PM sharp. The club will provide drinks, condiments and BBQ grills. It's bring your own meat and plates, knives, forks, etc. Also if your last name starts with A-R, please bring a salad to share. And if your last name starts with S-Z, please bring a dessert. If you are single, please bring a bag of chips.

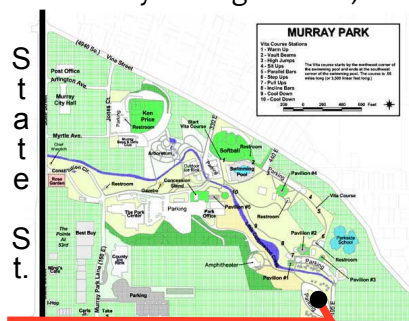

The raffle will be a little different this month, with \$1 tickets and just silver coins and a gold piece for prizes. The traditional metal detector hunt in the sand will be held after dinner with lots of prizes. So, bring your own metal detector. If you don't have one, I'm sure someone would be willing to share. It will be lots of fun!

I hope you all can make it to the Summer Party on August 28th,

Tom Davis

Welcome Visitors and New Members

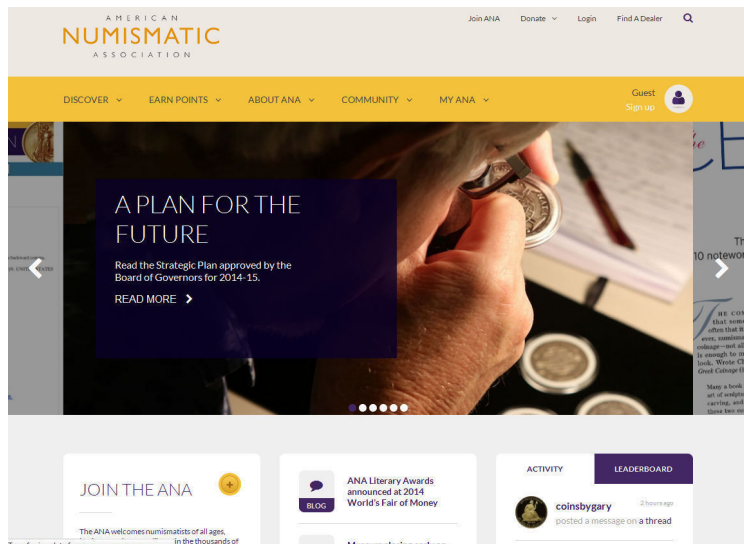

She is looking for a new home for her bottle collection if you are interested, she will be at the bottle show.

Coin and Stamp Show at Sons of Utah Pioneers

ANA Launches New Website

ANA's World's Fair of Money in Chicago was held on Aug. 5th through the 9th. They had free workshops on coin collecting basics and free appraisals. You could see one of the 1913 Liberty V nickels worth \$2.5 Million. One of the highlights was the release of the Kennedy Commemorative Gold Half Dollar; which had sales suspended for the proof coins (US Mint). Also, an 1861 Gold \$20 Paquet MS-63 was auctioned off for \$1,645,000. It is considered to be the 4th rarest, with only two known (Heritage Auctions - HA.com).

Tools & Dies

When my grandma passed, I had the opportunity to clean out her house. I found this fascinating. It contained many years of history. It was fun and enlightening to go through pictures, letters, and keepsakes. The crawl space and fruit cellar had hundreds of glass jars; many of them still full with who-knows-what too old to eat, and very difficult to open.

Her house was originally a small shack built in 1889, according to my grandmother, but the county records will tell you 1935. My grandparents bought it in the mid-1940's, shortly after they married. Her obituary states "It was just two rooms, the front room and the kitchen, bare floorboards with gaps between that would let the dust in, a coal stove and a cold water tap in the kitchen. There was no plumbing, just an outhouse in the back yard." There is now a huge pine tree where that outhouse was. It had a crawl space under the kitchen, with a trap door access. They saved their money to fix it up, add on two bedrooms, a bathroom, and furnace in the crawl space. They later added a family room with a fruit cellar underneath, which made for easier access to the furnace, and a detached garage.
